

Board Resolution
Decision on Wake Ban

The Board of Commissioners of the Little Hills Lake Management District (LHLMD) hereby adopt the following resolutions:

WHEREAS, the board of commissioners, pursuant to Town of Marion Ordinance 2019-1, acknowledges its interpretation that a wake ban on Little Hills Lake is conditional on, among other things, the concurrence of both the LHLMD Board and the Town of Marion Board;

WHEREAS, the LHLMD Board resolves in favor of maintaining a wake ban on said lake until December 31, 2020;

WHEREAS, the LHLMD Board wishes to apprise the Town of Marion Board of its decision to support retaining a wake ban at this time and maintain such until December 31, 2020;

WHEREAS, the LHLMD Board believes it is within its province to request at any time and at its discretion an extension of a wake ban, or dissolution of the same;

WHEREAS, the LHLMD Board acknowledges the town's right under ordinance 2019-1 to withhold at its discretion its assent to such a ban and such our request, as well as to rescind, at its discretion and at a time of its choosing, any earlier established ban, thereby causing a currently in force ban to expire or be dissolved;

NOW, THEREFORE, BE IT RESOLVED, that the LHLMD Board directs its President or his designate to deliver in a timely manner a copy of this resolution to the Town of Marion with its request that the town consider it for possible action or, if the town so chooses, inaction.

IN WITNESS WHEREOF, this Resolution was approved and adopted by the LHLMD Board of Commissioners on August 8, 2020.
