

Little Hills Lake Management District

Meeting Minutes

June 24, 2023

Present: Neal Nett, Tom Stoddard, Tom DeMeyer, Carl Veenendaal, Dave Chase, Julie Diermeier

Absent: John Jarvis

9:01 - Meeting called to order.

Unanimously approved April 22nd meeting minutes.

Unanimously approved plant survey for fall of 2023 an expense of approximately \$1500.00.

Discussion

The town of Marion will be giving LHLMD funds (\$2500-\$5000 to be determined at the July town meeting) to be used for fish stocking. A discussion concerning how to create an optimal habitat for fish ensued. We will do more research to determine if a habitat survey can be provided by the DNR or Cason.

The Town of Marion has established a new fireworks ordinance (letter attached) which was posted on the Little Hills Lake Face Book page and can be found on the Town of Marion Website.

A question was brought up about moving some assets in an account earning more interest than the checking. There is a provision for investing within the state statutes for Lake Management Districts.

10:08 Meeting adjourned.
